## **LEXINGTON'S NEWEST ZAXBY'S HATCHES MONDAY, NOVEMBER 10**

*Lexington County's Fifth Zaxby's Opens; Underscores Chain's Rapid Expansion*

**LEXINGTON, S.C.** (Nov. 6, 2008) — Zaxby's licensees and husband-and-wife team Dan and Starke Ward, along with their partner Mark Foster, will open the doors to Lexington County's newest Zaxby's restaurant this Monday. Zaxby's, a Southeast favorite for chicken fingers and Buffalo wings, is located at 1759 S. Lake Drive, in the White Knoll Station shopping center, close to the intersection at Highway 6 and Platt Springs Road. The restaurant will operate Monday through Thursday from 10:30 a.m. to 10 p.m., Friday through Saturday from 10:30 a.m. to 11 p.m. and Sunday from 11 a.m. to 10 p.m.

"We are thrilled to bring another convenient location to the community," said Dan, who also operates the Zaxby's in West Columbia with his wife. "Our family looks forward to providing the same fresh food and signature service our friends and neighbors have come to expect from Zaxby's."

The new restaurant showcases Zaxby's welcoming design, featuring a bright, open interior décor, complemented by vintage memorabilia and signage. The 3,700-square-foot restaurant provides comfortable booths and tables, with a seating capacity of 92. Zaxby's also provides drive-thru services to meet the needs of customers on the go.

The new Zaxby's location is the second for Lexington and the fifth for the county. The city's first Zaxby's, located at 5400 Sunset Blvd., is owned by Joe Turbeville and John Deschamps. Zaxby's footprint includes more than 450 locations in 11 states — Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia.

An alternative to fast food, Zaxby's offers prepared-at-order chicken fingers, wings, sandwiches and salads. Zaxby's most popular items are its hand-breaded Chicken Fingerz and Jumbo Buffalo Wings, smothered in a choice of eight sauces with names like Wimpy, Tongue Torch, Nuclear and Insane. The menu also offers innovative Zappetizers — Onion Rings, Tater Chips (home-style potato chips) and Spicy Fried Mushrooms, as well as a variety of Party Platterz perfect for any family gathering or special occasion.

Zaxby's also offers three salads, or Zalads: The House, The Blue and The Caesar. All are prepared at order, with grilled or fried chicken, three kinds of lettuce, shredded cheese, fresh veggies and juicy tomatoes. Customers have a choice of buffaloed or blackened chicken when ordering The Blue. All of Zaxby's Zalads offer more chicken and unique ingredients, such as French-fried onions, and are larger than most salads offered elsewhere. Each Zalad is assembled at the time the order is placed, versus being pre-made and stored in a cooler.

## **New Lexington Zaxby's Opens Monday**

### **Page 2**

Zaxby's is a "quick-casual" restaurant chain headquartered in Athens, Ga. Zaxby's opened its first restaurant in Statesboro, Ga., in March 1990, and by July 2001 opened its 100th location in Jacksonville, Fla. Zaxby's celebrated its 200th restaurant opening in its hometown of Athens, Ga., in May 2004, and in December 2005 observed its 300th opening in Dallas, Ga. In October 2007 Zaxby's opened its 400th location in Macon, Ga.

### **About Zaxby's**

Zaxby's founders Zach McLeroy and Tony Townley looked around their community and saw plenty of fast food or sit-down dining options, but felt something was missing. They decided to provide the most delicious chicken fingers and Buffalo wings in town. That hatched a simple idea to create a fun atmosphere where food quality is of the utmost importance. In 1990, they opened the first Zaxby's in Statesboro, Ga. The concept, one of the early "quick-casual" restaurants, proved successful.

McLeroy and Townley opened four more restaurants, and in 1994, they began to franchise the brand. The food and service was so popular, the Athens, Ga.-based chain has boomed to more than 450 units in 11 states (Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia) and continues to grow. For more information, visit [www.zaxbys.com](http://www.zaxbys.com).
