UNION CITY'S FIRST ZAXBY'S HATCHES MONDAY, JUNE 22 *Fulton County's Third Zaxby's in the Last Year Opens as Chain Continues Rapid Expansion*

UNION CITY, Ga. (June 17, 2009) — Zaxby's licensee The Londonderry Group will open the doors to Union City's first Zaxby's restaurant on Monday. The new Zaxby's, a Southeast favorite for chicken fingers and Buffalo wings, is located at 6801 Shannon Way, near the new Union Station mall. The restaurant will operate Sunday through Thursday, 10:30 a.m. to 10 p.m., and Friday through Saturday, 10:30 a.m. to 11 p.m.

"We are pleased to bring a convenient location to Union City," said Marcus L. Norman, who will serve as the new restaurant's district manager. "We look forward to providing Zaxby's fresh, prepared-at-order food and superior service, as well as becoming a good neighbor in the community."

The new restaurant showcases Zaxby's unique interior design, featuring a bright, open interior décor, complemented by vintage memorabilia and signage. The 2,800-square-foot restaurant will provide comfortable booths and tables, with a seating capacity of 56. Zaxby's also provides drive-thru services to meet the needs of customers on the go.

Norman believes the restaurant — from the atmosphere to the service — will exceed community expectations. "We've assembled a great team of over 40 associates who, we are confident, will deliver on the Zaxby's mission to 'consistently create encore experiences that enrich lives one person at a time,'" said Norman.

The new Zaxby's is the 12th for Fulton County (the third since August 2008) and the 183rd for the Peach State. Zaxby's footprint currently includes more than 470 locations in 11 states — Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia.

An alternative to fast food, Zaxby's offers prepared-at-order chicken fingers, wings, sandwiches and salads. Zaxby's most popular items are its hand-breaded Chicken Fingerz and Jumbo Buffalo Wings, smothered in a choice of nine sauces with names like Wimpy, Tongue Torch, Nuclear and Insane. The menu also offers innovative Zappetizers — Onion Rings, Tater Chips (home-style potato chips) and Spicy Fried Mushrooms, as well as a variety of Party Platterz perfect for any family gathering or special occasion.

Zaxby's also offers four salads, or Zalads: The House, The Blue, The Caesar and The Zensation. All of Zaxby's Zalads offer more chicken, unique ingredients, such as French-fried onions, fresh veggies and juicy tomatoes and are larger than most salads offered elsewhere. Each is prepared with chicken, three kinds of lettuce and a variety of toppings. The Zensation rejoins the menu for a limited time only this spring and features Chicken Fingerz drizzled with honey sesame glaze, mixed with red cabbage, carrots, various greens, crispy wonton strips, and topped with Asian slaw. The Zensation is served with Citrus Vinaigrette dressing and a tasty veggie egg roll. All Zalads are assembled at the time the order is placed, versus being pre-made and stored in a cooler.

About Zaxby's

Zaxby's founders Zach McLeroy and Tony Townley looked around their community and saw plenty of fast food or sit-down dining options, but felt something was missing. They decided to provide the most delicious chicken fingers and Buffalo wings in town. That hatched a simple idea to create a fun atmosphere where food quality is of the utmost importance. In 1990, they opened the first Zaxby's in Statesboro, Ga. The concept, one of the early "quick-casual" restaurants, proved successful.

McLeroy and Townley opened four more restaurants, and in 1994, they began to franchise the brand. The food and service was so popular, the Athens, Ga.-based chain has boomed to more than 470 units in 11 states (Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia) and continues to grow.
