WINCHESTER'S FIRST ZAXBY'S HATCHES MONDAY, OCTOBER 27

New Restaurant to Provide Residents Prepared-at-Order Chicken in a Casual Dining Atmosphere

WINCHESTER, Tenn. (Oct. 24, 2008) — Zaxby's licensees and husband-and-wife team Tim and Jeanette Farris will open the doors to Franklin County's first Zaxby's restaurant this Monday. Zaxby's, a Southeast favorite for chicken fingers and Buffalo wings, is located at 2909 Decherd Blvd., between Wal-Mart and The Home Depot off of Highway 41A. The restaurant will operate 10:30 a.m. to 10 p.m. Sunday through Thursday and 10:30 a.m. to 10:30 p.m. Friday through Saturday.

"We are pleased to offer Franklin County its first Zaxby's location," said Tim, who was born and raised in Winchester. "We look forward to introducing Zaxby's delicious, prepared-at-order food and superior service, as well as becoming a good neighbor in the community."

The new restaurant showcases Zaxby's welcoming interior design, featuring a bright, open interior décor, complemented by vintage memorabilia and signage. The 3,388-square-foot restaurant provides comfortable booths and tables, with a seating capacity of 92. Zaxby's also provides drive-thru services to meet the needs of customers on the go.

The new Zaxby's location is the first for Franklin County and the 40th for the Volunteer State. Zaxby's footprint includes more than 445 locations in 12 states — Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, Ohio, South Carolina, Tennessee, Texas and Virginia.

An alternative to fast food, Zaxby's offers prepared-at-order chicken fingers, wings, sandwiches and salads. Zaxby's most popular items are its hand-breaded Chicken Fingerz and Jumbo Buffalo Wings, smothered in a choice of eight sauces with names like Wimpy, Tongue Torch, Nuclear and Insane. The menu also offers innovative Zappetizers — Onion Rings, Tater Chips (home-style potato chips) and Spicy Fried Mushrooms, as well as a variety of Party Platterz perfect for any family gathering or special occasion.

Zaxby's also offers three salads, or Zalads: The House, The Blue and The Caesar. All are prepared at order, with grilled or fried chicken, three kinds of lettuce, shredded cheese, fresh veggies and juicy tomatoes. Customers have a choice of buffaloeoed or blackened chicken when ordering The Blue. All of Zaxby's Zalads offer more chicken and unique ingredients, such as French-fried onions, and are larger than most salads offered elsewhere. Each Zalad is assembled at the time the order is placed, versus being pre-made and stored in a cooler.

Zaxby's celebrated its 200th restaurant opening in its hometown of Athens, Ga., in May 2004, and in December 2005 observed its 300th opening in Dallas, Ga. About Zaxby's

Zaxby's founders Zach McLeroy and Tony Townley looked around their community and saw plenty of fast food or sit-down dining options, but felt something was missing. They decided to provide the most delicious chicken fingers and Buffalo wings in town. That hatched a simple idea to create a fun atmosphere where food quality is of the utmost importance. In 1990, they opened the first Zaxby's in Statesboro, Ga. The concept, one of the early "quick-casual" restaurants, proved successful.

McLeroy and Townley opened four more restaurants, and in 1994, they began to franchise the brand. The food and service was so popular, the Athens, Ga.-based chain has boomed to more than 445 units in 12 states (Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, Ohio, South Carolina, Tennessee, Texas and Virginia) and continues to grow.
